

The LPGA Foundation is proud to have the opportunity to work with US Golf Camps.

Thanks to our relationship, several members of our LPGA\*USGA Girls Golf program have been selected to receive scholarships to attend a two-week session at US Golf Camps amazing facilities during the last two summers. Each and every one of the girls who were selected to participate had a truly life changing experience. The attention and care that the engaging staff provided to each individual is truly wonderful! From the teaching staff to the coaches, the team at US Golf Camps are experts in their fields who are passionate about providing an unforgettable experience to campers which is evident from the time our campers arrived to the day they departed. The focus on learning and catering to each individual's needs and areas for growth provided our girls with not only a successful golf experience, but an incredible life experience which they'll remember forever.

I could not recommend a camp more highly for parents interested in engaging their sons/daughters with the sport of golf in an atmosphere that fosters confidence and compassion.

Sincerely,
